Happy  
Days  
'77

*Bear Memories*

## Bear Memories '77

reflects yesterday's  
encounters, struggles, and dreams  
of the Happy Days spent at

**Pharr-San Juan-Alamo  
High School**

1229 South I Road  
Pharr, Texas 78577

where the spirit echoes  
in the halls of our minds.

Happy Days brings to mind  
memories of maroon and white  
at PSJA High,  
where Battlin' Bears  
will always remain  
No. 1 in our hearts.

Yeah, those were rockin' Happy Days, when

when the Fonz  
was king  
and cool  
was in.

we took a trip back to the nostalgic 50's,

Jeans were tight;

"Oh, so tight!!"

Chinese fire drills were a feat;

car hops brought you

something to eat.

What days . . .  
Happy Days  
of today,  
where youths  
are outgoing,  
outspoken,  
and  
out-of-sight!

As we linger on those  
tender feelings of love,  
recall the days of warmth  
in your smile

the days  
of laughter  
in your eyes

and the days of everlasting friendship  
that came between us.

And as we go  
our separate paths,  
May your future days gleam  
like the dawn before you,  
May the days of past  
be a genesis of understanding  
And may you always  
live the present  
aware and awake  
to its possibilities.

For Happy Days is you, the individual,

expressing thoughts  
of sincerity,  
discovering new horizons,

playing your role to the fullest . . .

and living  
to love,  
while loving  
to live.

## Trends of friends

You take a gorgeous face, add some funky rags to a sexy body, eat enough malicious food to keep you going, hop into your souped-up car, and boogie down to the dance hall where you meet a foxy lady you can give plenty of lovin' to. That's it, you've got the perfect recipe to give you the idea of the trends of your friends.

## Traces of faces

It's time for some of us to depart, we've no time to sort our memories. Yet we know they're there, for when the moment comes, we'll remember many things, many joys and many mistaken steps. Yet, tomorrow when we turn the pages to our past, we'll see the traces of our smiles echo our happiest memories. One by one we remember distinctive faces expressing sorrow, expressing joy and, perhaps, expressing love! Faces, though we each go our separate ways, they remain embedded in our minds! Many thoughts will be lost, many memories will fade, but the traces of faces will remain everlasting in the diary of our memories . . .

--S.V.

## Fads and rags

What does this bring to mind? . . . longer skirts, gauchos and knickers accented with boots, vests to add a little spice, jumpsuits styled for comfort, sundresses for the cool look, western wear for the kicker in us all, T-shirts designed to a "T", and denims that still reign in the closets of PSJAites.

Yes, we're back in the time tunnel of fashion to the glorious days of the sassy sixties and nifty fifties, where skirts are longer and hair is shorter, depending on our moods. But moreso, style revolves around the individual's frame of mind.

## Funky junk food

Grrr . . . goes someone's tummy--it's a common sound on this campus. Coming to school at 7 a.m. doesn't exactly give everyone time to feed their stomachs. Let's not forget it's hard to control our hunger pangs in the afternoon, too. Talking about food, why not talk about favorite places to munch out at.

After the game, on a date, or after school, students enjoy the atmosphere of fast food hangouts. Hamburgers, fries, pizza, Mexican food, malts, shakes, foot-long hot dogs, chips, and colas keep the stomach content and produce the energy to venture on.

## Wheels to peel . . .

It takes all kinds of wheels to make the world go round! Some take you further and faster with less effort than others. Some can get more jam-packed quicker. Bikes are popular types of wheels, whether big or little, they bring out the child in each of us; for both the young and not so young at heart are on the go, whether on two wheelers or not.

You see styles by the mile-- '57 Chevys, Hondas, Mustangs, old pick-up trucks, and "oh" those custom vans, lookin' mighty fine passin' by, those pads on wheels. ZOOM! ZOOM! SCREECH! SCREECH! in snazzy vehicles, attracting eyes to your heart's delight.

## Movin' to what's groovin'

Dancing is nice and you really add life when you use all the funky dance steps. So get down and hustle or get up and boogie and create your own kind of rhythm to the vibrations of music. Whatever your style--pop, kicker, disco or rock--there's a place in the Valley where you can get down any night and do a little dance by movin' to what's groovin'.

# Feelings

We want to love, no matter  
what,  
for we feel free  
with life ahead of us.  
We take new steps,  
yearning to receive.  
Expressing deep feelings,  
we take pride in what we give!  
Indoors or outdoors,  
we have no fear,  
for we feel young and in love.  
We must love,  
in the park or in the library,  
for new loves  
make up for heartbreaking tears.  
We love, we give,  
we cherish memories  
that best make us happy,  
for our innocent loves  
express true feelings.

--S.V.

## Campus portraits

Faces everywhere turn to a treasured portrait of our mighty seniors who've come to the end of a much traveled road of academics, and now begin a brand new life. The juniors eagerly seek knowledge for a better way to start their future as young adults. Spirited sophomores are in search of tomorrow, a tomorrow soon approaching. The fun-filled freshmen are just beginning their road into a life full of surprises. Most of all we've all come to acknowledge the wisdom of our high school teachers implanting the seed of knowledge in our minds. All this shall remain throughout our lives as one whole memory . . . our campus portraits.

The Senior Class of 1976-77 is led by, left to right, Elva Salazar, reporter; Janice Brewster, vice-president; Rene Guzman, president; Estela Fuentes, treasurer; and Nora Tijerina, secretary.

## Seniors Great! Seniors Great! Seniors Great!

Speaking of a state of deflation, that was what the Senior Class suffered when their long-winded efforts at blowing 1,200 helium balloons ended in a sea of multi-colored balloons hugging the football field. A few balloons managed to escape their execution as a horde of adolescents and children littered the field to demolish the condensed balloons.

Homecoming was never like this before!!! Nevertheless, the effort and the ever-present spirit of the Class of '77 was evident that Oct. 22, 1976.

The traditional boire symbolized the blazing spirit and great loyalty that the mighty seniors displayed throughout the year. Seniors! Great! Seniors Great!

Among other feats, the Senior Class is leaving behind a memorable token of their esteem, which enhances their memories of the past and dreams for the future.

## Prom highlights junior year

"Hot dogs!" "Cokes!"  
"Peanuts!" "Just about anything  
edible!" Those were some of the  
soliciting lines used by junior  
concession stand workers at  
football games.

Funds raised from concessions  
financed the Junior-Senior Prom  
held in May. A last farewell to  
seniors, it provided fond  
memories for all.

Heading the Junior Class are president Pete García, at top, and, at bottom left to right, secretary Rosa Salazar, treasurer Terry Luna, vice-president Mary Mata and reporter Sylvia Lorenzo.

Heading the sophomores during '77 are, left to right, president Ana DeLeon, secretary Cindy Lozano, reporter Olga García, vice-president Cindy Salinas, treasurer Belinda Vela and parliamentarian Neida Sandoval.

## Sophs present favorites at Belle and Beau

Highlighting the '77 version of the Belle and Beau, co-sponsored by the Sophomore Class, was the presentation of Class Favorites, the Belle and Beau and club sweethearts. The Playboys provided music for the dance, Feb. 26, at the Pharr Civic Center.

To raise money sophs sponsored a sock-hop, featuring "SAPO", that netted about \$450. Their second project was a car wash.

Sophs get a break by being able to attend the book fair in the library.

Leading the Freshman Class are, left to right, president Doel Anders, secretary Evelyn Romero, treasurer Lolly Trevino and vice-president Delfino Lorenzo.

## Fish provide smash sock-hop for PSJAites

For the first time in history the Freshman and Sophomore Classes united to provide students with the traditional Belle and Beau, Feb. 26, at the Pharr Civic Center. Many agreed that the Belle and Beau Dance was a success credited to the sophomores and freshmen who put it together.

The freshmen's first fund raising project was a "smash" sock-hop featuring a new disc-jockey, surnamed "SAPO". He encouraged PSJAites to dance by awarding record albums to the best dancers.

## Mr. Guerra, Mr. Alvarado form new PSJA team

Mr. Ernesto Alvarado, former principal, said "adios" in December after serving four years at this duty-full job. The reason? Because he was honored as assistant superintendent of the district, forming a new team along with the superintendent for the past five years, Mr. Augusto Guerra. We should be proud of Mr. Guerra. Thanks to him, students of different ages in the district will no longer be stuck in crowded classrooms. Under a four-phase construction plan, Mr. Guerra and the School Board have seen to it that new classrooms, remodeling and even new schools are being constructed.

A sad event will also take place this year as PSJA tearfully will say good-bye to a person who has dedicated 41 years of service to the school. Miss Geraldine Palmer, PSJA's secretary, has long been the right hand at many a superintendent's side.

Miss Geraldine Palmer, secretary, has given of herself and has faithfully served the district for 46 years. We salute her.

Mr. Augusto Guerra, superintendent of the PSJA Independent School District, heads our loyal sons of PSJA and is always ready to help.

Mr. Ernesto Alvarado receives farewell gifts from students and faculty as he leaves Bruin High for the assistant superintendentship.

Mr. Octaviano Gonzalez

## School Board spearheads district's construction phase

PSJA is privileged this year to have a top School Board. The School Board, comprised of seven persons, has created four phases to help better the mighty school district. The first phase of the building program consists of 34 elementary classrooms. The second phase consists of 14 classrooms added to the high school and the expansion of the cafeteria. These facilities will be ready for use during the 1977-78 school year. The third phase consists of two complete elementary schools, one located in Pharr and the other in San Juan. The fourth phase is the construction of a new junior high for seventh and eighth graders from the Pharr area. What does all this mean. It means that the district School Board members are concerned about the PSJA school system. Remember, in just a few short years, it may be you behind one of the School Board Member's chair.

Mr. Jose E. Gutierrez

Mr. Enrique Moya, secretary

Mr. Hector Palacios, president

Ms. Zonia Willingham

Mr. Richard Gomez,  
assistant secretary

Mr. Dalmon Moseley,  
vice-president

Taking on the position of new head principal as of December is Mr. Jack McKeever, PSJA High's former assistant principal.

Assisting in keeping PSJA at the top are vice-principals, left to right, Mr. Charles Cain, Miss Hilda Garza, Mr. Nieves Garza and Mr. Felipe Alanis.

## Mr. McKeever takes helm now

PSJA was blessed with two fantastic principals. Mr. Ernesto Alvarado, was promoted to assistant superintendent and replaced by Mr. Jack McKeever. Mr. Nieves Garza was named as assistant principal. Despite the changes, the administrative team kept school running smoothly.

Helping students out this year are counselors, left to right above, Mr. Reynaldo Zuniga, Mrs. Mollie Thomas, Mrs. Diamantina Cantu and Mr. Juan Badillo. At right is Mrs. Lucy Alvarado.

At left are vocational counselors Mrs. Bertha Mejia and Mr. Jose Luz Garza; below center, attendance officer Mr. Manuel Garza; and below right, vocational director Mr. Wesley Van Matre and vocational supervisor Mr. Jose Adan Farias.

At mid-left are librarians Mrs. Nora Gonzalez, standing, and Mrs. Gilma Franco, sitting; at immediate left is vocational secretary Frances Gonzalez. Secretaries answering phones, writing letters, and keeping the school organized above are, left to right, Mrs. Bertha Gonzalez, Mrs. Thelma Mettlach, Mrs. Ramona Mora and Miss Carmen Enriquez.

# Math department known to harbor problems

"Tangents, sin, cosin, angle A is supplementary,  $x=76$ , angle B measures 15 degrees," Could this be what is running through the mysterious math teachers' minds? Perhaps they are just planning the homework of the day or deciding to make the best of next summer. Math teachers on the PSJA campus are always ready to lend a hand.

# Social studies teachers depict historical events

"Please memorize the Gettysburg Address by tomorrow." Ah, memories of the history classes instilled in our minds. ## Business skills open job areas

"Type exercise 2 on page 231 on a 60-space line; then prepare for a 3-minute timed writing." This seems to be the most often heard phrase as you go to a typing class. Business teachers help students view the immediate world of business ahead of them, so that in the near future they may be prepared for careers that employ such skills.

## Students probe unknown fields

"Prepare a dissecting tray; choose a frog and learn the internal organs for a quiz tomorrow." Such instructions followed by "ughs" and "oohs" are heard in a typical science class. Every year students participate in many classes of physical education and health. They choose to be active in sports such as volleyball, basketball, tennis and track. ## World of work encompasses many fields

Vocational teachers keep on the go teaching fundamental skills from home economics to metal trades. The department incorporates around 30 faculty members who sponsor various vocational organizations such as Electrical Appliance Repair, Future Farmers of America, Industrial Cooperative Training, Distributive Education Clubs of America, Office Education Association, Auto Mechanics, General Metal Trades, Future Homemakers of America, and Duplicating Office Trades. Students learn skills essential to their immediate and future careers. At the same time they keep active in their respective organizations.

## Bear sportscast

"Touchdown! Homerun! And they're off to a fast start! Ready-serve! Ace! Two points!" A sportscaster's view of various athletic confrontations here on campus. PSJA has a fine athletic program which is staffed by able coaches. As has been seen by the recent formation of the girls' track, volleyball and basketball leagues, female athletes are also encouraged to participate. Boys are not to be outdone, but it is the enthusiasm of both athletes and fans that make the sports program.

# PSJA's big Battlin' Bears scratch, paw, claw, roar

"Humpf! Ugh! I can't breathe! Hey, man get off me, you fat pig! That's not fair! Ref! Help!" These are stifled cries from the poor football player who gets stuck underneath the pile-up. PSJA's Varsity Battlin' Bears know what it's like to be at the bottom and the top of the pile-up. A football player must have stamina, strength and courage: stamina to be able to take the blows, the punches, and the falls and still come back fighting; strength to be able to stand all that pain without complaining; courage so he can stare that 250-pound tackle in the eye and guard that puny pigskin with his life till he crosses that goal line. After an unsuccessful season last year, the Bears are on their way to recovery as their 4-5-1 win-loss-tie record shows. Next year's 4-A competitors had better watch out for Coach Julio Ayala's powerhouse team. They won't have a majority of underclassmen, but a tough junior-senior team!

Leading the 1976-1977 Bears are Coaches, front, Julio Ayala, second row, Alfredo Hernandez, Danny Reyna, Paulino Ramirez, third row, Darrell Earhart, Raymond Gonzalez, Juan Crosby.

Hard working managers take care. Thank you Jerry, Albert, Hugo

and fight to a successful record

Coach Earhart and Coach Hernandez signal to the Mighty Bears their next dangerous move.

of all the Bears in time of need.  
and George.

## JV and B-Team Bears play tough nitty gritty pigskin ball

Testing, trying and training the young J.V. and B-Team football players for future positions on Varsity is what Coaches David Rivera, Paulino Ramirez, Boxer Hernandez and Darrell Earhart do. These coaches know they must teach the necessary skills to compete in Friday night games. The two teams provide a training ground where the weak fall and the mighty rise to the occasion. Those that remain look forward to the prestige and honor of beng a Battlin' Bear.

Junior Varsity Bears are, first row left to right, Bobby Sandoval, Oscar Garza, Arturo Gonzalez, Mario Salinas, Geronimo Lopez, Raymond Flores, Manuel Garza, Joe Perez, second row, manager Jerry Perez, Santos Ayala, Mario Yarrito, Bobby Ybanez, Eloy Bravo, Jose Sarabia, George Mariscal, Ricky Rodea, third row, Coach David Rivera, Eduardo Cano, Gilbert Alvarado, Hector Silguero, Arnold Casas, Frank Romero, Richard Villarreal, fourth row, Jaime Saldana, Ray Nava, Emilio Villarreal, Richard Aguilera, Burgess Cook, Coach Boxer Hernandez, fifth row, Casto Sanchez, Joe Val, Rumaldo Gonzalez, Ricky Rodriguez, Roy Trevino, Robert Perez and Bobby Compean.

This is but a brief scene of the J.V.'s battleground on which they struggle and fight to cross all obstacles.

## Freshman squads divided into Maroon and White teams

"Maroon and White! Yeah for the Maroon and White!"  
Enthusiastically the freshmen fans cheer their favorite teams on to victory. The Freshman Football Team is divided into two teams, Maroon led by Coach Jan Jernberg and Hugh Jones and White led by Coaches Robert Flores and Fidel Villarreal. As a result of this, Freshman Football players are given more individualized instruction and training.

# into competition and come out smelling like roses

You take nine spirited young ladies, a number one coach, one gleaming white volleyball, put them all together and you have one fantastic team! Exuberance in this competitive sport is what the girls give the school. One loss too many left our volleyball team as District Co-Champs, leaving the girls heartbroken. However, PSJA still has the best team around. With winning teams, such as the Volleyball Team, PSJA should be proud to carry its head high.

Left, Casper does her thing while playing. At bottom, one reason for this year's success was the unity this team had.

Diana, Letty and Rachel are just three reasons why the Volleyball Team came in first in district, and first to PSJAites.

Casper hits the ball as Mirna watches on preparing for action.

The girls all gather 'round as Coach Perez orders, "Huddle around", take the very much needed break and prepare to attack once again.

"Kick 'em high Rachel, and p-l-e-a-s-e don't miss the ball." Oralia and Letty try to convey their extra-sensorial perception message.

Oralia expertly recovers the ball from going out of the court.

## Junior Varsity sets up girls for next year

"Practice those serves! Spike that ball!" These are probably commands from J.V. Volleyball Coach Kathy Lara. These young girls know the meaning of hard work and practice. Competition in any sport, as in Junior Varsity Volleyball, teaches students the value of self-discipline and teamwork. They understand that in order to have a fine organization they must give their all.

Girls Junior Varsity Volleyball continue the tradition of girls' involvement in action sports. Teammates are, kneeling left to right, Josie Enriquez, Cindy Guardiola, standing, Alma Espinosa, Esperanza De Hoyos, Virginia Flores, Alice Bailey, Coach Kathy Lara, Sofia Hinojosa, Rosie Gonzalez, Estella Garcia and Nelly Gutierrez.

Varsity Basketball cagers for the 1976-77 season are, first row left to right, Randy Roseland, Charlie Martinez, David Salazar, second row, Coach Jan Jernberg, Jose Palacios, Ike Flores, Emilio Salazar, Nandy Cabrera, George Silva, Warren Quick, at net, Mario Reyna.

Emilio, play the game and shoot baskets! Don't kiss the floor!

Look Coach Jernberg, "We know it's very exasperating, but try to understand that we are trying as hard as we can!"

"What's so hard about extending your arms and shooting?" says Emilio.

And there he goes--he jumps a super-bionic jump and stretches and stretches till he makes a tip-off.

## Varsity jocks play rockin', sockin' tough

Steering the Varsity Basketball Team to a 21-14 win-loss record was helmsman Coach Jan Jernberg. Helping to pilot the ship were high scorers George Silva, Nandy Cabrera, Mario Reyna and Charlie Martinez. In the crucial game against Harlingen the Bears came through. It took individuals working as a team to come out with a winning season.

At left, Warren says, "I got it first!" Below, Mario says, "Dribble, dribble, past you and you and on to the basket!"

"Stay away all you guys! Keep

"Hurry up! Don't be so slow and throw me that ball! Don't worry, I'll catch it! Hurry up this guy is trying to block it!"

"Look guys stay back! If you'll only wait a while, I can make the basket by myself!"

back! Cause when I mean to shoot, I'll shoot, no matter what!"

JV Basketball players include, first row left to right, Robert Cantu, Richard Cantu, second row, Mike Vasquez, Mario Salinas, Joel Salinas, Adam Cabrera, third row, Hal Anderson, Daniel Salazar, Royal Millen, Alberto Bravo.

## J.V. players grind 'em up

Keeping the tradition of a winning season, the Junior Varsity Basketball Team succeeded in pulling out an 18-12 record. Coach Robert Flores guided the enthusiastic team to victory. Under his expert guidance many students excelled, such as high scorers Albert Bravo, Joel Salinas and Daniel Salazar.

Hey, the game is not over. These guys think it's funtime already.

Albert better aim correctly and make pretty sure it'll go in.

Freshmen White basketball teammates include, left to right, George Guzman, Jessie Gonzalez, Ernie Bravo, Joe Espinoza, Rick Garcia, Coach Danny Reyna, Robert Rivera, Charlie Flores, Rolando Casas, Gus Elizondo.

Fish Maroon roundball players are, kneeling left to right, Oscar Rivas, Zeke Flores, Joe Jimenez, standing, Freddie Ramirez, Arnie Isaguirre, Tom Carlin, Coach David Rivera.

## Able freshmen teams catch bigger fish

Teaching the young freshmen athletes the skills of basketball were Coach Danny Reyna for the White and Coach David Rivera for the Maroon. Bright shining stars on the teams were high scorers Jessie Gonzalez and Ernie Bravo for the White and Javier Gonzales and Freddie Ramirez for the Maroon.

Girls Varsity Basketball Team includes, first row left to right, Cris Santillan, Lety Vela, second row, Diana Perez, Debbie Bland, Rosa Martinez, Estella Garcia, Yolanda Ibarra, Alma Flores, Maricela Gutierrez, third row standing, Lili Ruiz, Bengi Garcia, Beverly Taylor, Angie Sustaita, Josie Enríquez, Lucy Diaz, Coach Kathy Lara, fourth row at top, Diana Arredondo and Hortencia Singleterry.

These young athletes, starters for the first girls basketball team at PSJA, wind up to start the game and to go out and get 'em.

## Varsity netters meet stiff competition

Winning and losing, but most of all learning, is what Girls Varsity Basketball did this year. Conceived this year, the infant team won few games but learned the true meaning of, "It's not whether you win or lose, but how you play the game." Since the young athletes were untried in competition, every game was a learning experience.

"Uh-oh, should I go straight ahead, turn, or just whiz by her?"

Casper awaits the ball feeling that as it comes her way she'll grab, dribble, dodge, work her way to the net, shoot and--basket!

Debbie is hopin' and prayin' that she can get the rebound.

Coach Lara comes into the scene telling the girls, "No, you won't be able to get that play right. I suggest you go back and keep on practicing."

Above, Casper does a spread eagle shot. Below, Beverly sinks it.

"No, I'm not letting the ball lift me into the air. I just want to shoot a basket; and, you bet I'm gonna make it!" says Lety.

## Strike one! Strike two! It's a homerun!

"It's the bottom of the fifth and there's a man on second as Bazan steps up to bat. The pitcher winds up and lets loose with a fast ball. He swings, and the ball is out of the park! It's a homerun!" This is a brief scene from one of the Varsity Baseball games that occur on campus. In the scene above any one of the fine baseball players could act the part. The baseball team is instructed on the finer points of sliding, pitching and hitting by Coach Villarreal.

Making up the pitching staff are, kneeling left to right, Buddy Reyna, Raul Sandoval, Xavier Avendano, standing, Emilio Salazar, Frank Gongora, Richard Villarreal, Danny Salazar.

Bobby, make sure that guy behind you doesn't try anything funny!

Hey guys, what's the matter with you? If you want to play footsie, believe me you aren't doing it right! Better practice instead!

Coach Fidel Villarreal's Varsity Baseball League includes, seated left to right, Xavier Avendano, Dagoberto Soto, Ciro Gomez, Gilbert Trevino, Buddy Reyna, Donny Garcia, Emilio Salazar, standing, Ike Flores, Raul Sandoval, Pete Bazan, Albert Bravo, Benny Bravo, Freddie Herrera, Fernando Guajardo, Robert Ramirez and Coach Villarreal. Sporting an overall winning season in District 28-4A competition, the baseball big leaguers carried big sticks this year such as Pete, Emilio, Xavier, Benny, Buddy, Bobby and Gilbert.

Catchers are, squatting, left to right, Pete Bazan, Albert Bravo, standing, Rudy Robles, Donny Garcia, Butch Esparza.

Coach Villarreal prepares to aim, shoot and fire! Will they hit?

The pitcher gets so excited in pitching the ball, hopin' and prayin' that the batter strikes out! Wow! All that energy!

Oops, now you be careful! We wouldn't want those pants to tear for nothing in the world!

Infielders are, front left to right, Buddy Reyna, Dago Soto, Gilbert Trevino, back, J. J. Palacios, Benny Bravo, Raul Sandoval.

Below, Pete makes one of his errorless catches for which he is known. Right, Xavier steps gallantly forward to give it a swing.

Outfielders are, kneeling left to right, Oscar Garza, Richard Villarreal, Ike Flores, Xavier Avendano, Ciro Gomez, standing, Emilio Salazar, Freddie Herrera, Daniel Salazar, Benny Bravo, Robert Ramirez.

Thinclads for the 1976-77 season are, first row left to right, Roel Carranza, Mike Gonzalez, Manuel Escamilla, Joe Fonseca, Roman Alaniz, Manuel Olivarez, Jose Luis Garcia, second row, Coach Julio Ayala, Diego Luna, Ruben Lopez, Artemio Fonseca, Robert Ramirez, Lorenzo Trujillo, Candelario Gutierrez, Ruben Garza, third row, Manuel Casas, Gail McMillan, Dana Blevins, Mike Ward, Scott Hofland, Coach David Rivera and Coach Joe Suarez.

## Track thinclads break many a finish line

The Track Team, led by Coaches Paulino Ramirez, David Rivera and Joe Suarez, is sparked by top state contenders Roel Carranza and Armando Hinojosa. Other lettermen providing depth and experience are Mike Ward, Victor Sanchez, Ruben Lopez, Roman Alaniz, Dana Blevins, Bobby Ramirez and Scott Hofland. Decisive track meets that separate men from boys include McAllen, Corpus Christi, Harlingen and Brownsville.

Devouring miles each day is the task of these members: Diego Luna, Manuel Escamilla, Ruben Lopez, Manuel Olivarez and Artemio Fonseca. Eat up!

High and intermediate hurdlers kept up their practice vigorously each day. These able gazelles include Joe Fonseca, Candelario Gutierrez, Manuel Casas, Ruben Lopez, Scott Hofland, Mike Gonzalez and Artemio Fonseca.

Long distance runners in the Track Team include, left to right, Manuel Escamilla, Manuel Olivarez, Diego Luna, Roman Alaniz, Ruben Lopez, Jose Luis Garcia, Lorenzo Trujillo and Artemio Fonseca. Run and reach the end of that finish line!

Making the long jumps are Manuel Casas, Dana Belvins and Mike Ward as they wait their turn patiently while Gail McMillan executes an excellent long jump. Will they perform the same outstanding jump?

Relay Team members in the Track Team include, left to right, Mike Ward, Bobby Ramirez, Dana Blevins, Gail McMillan and Roel Carranza. Pass the stick ahead!

Geronimo!!! Ruben Garza heaves it high and gathers all his shot-putting strength, as he practices to make perfect and get the very first place in the shot-putting event.

Track members are, bottom left to right, Gracie Garza, Clara Ortiz, Dora Salinas, Letty Salazar, Kathy Smith, Lucy Trevino, Connie Cristan, sponsor, Coach Julie Perez, Josie Enriquez, top, Lorri Rosa, Diana Arredondo, Lety Vela, Rachel Vargas, Amanda Guzman, Carmen Aleman and Gloria Galvan.

Letty says, "If I try hard enough, I know I'll become another Nadia."

"What are you girls doing sitting down? Get practicing!"

"Gimme that stick," Connie orders Letty, "Can't you see that Amanda and Clara want to get ahead. Little do they know they won't!"

## Girl speedsters have come long way, baby!

"On your mark, get set, go!" And that's what the Varsity Girl speedsters do every timed minute out on the practice field. Go! Go! Go! These girls have come a long way, baby! They disprove the myth that only guys can be active in sports such as track. So, alongside the males, the females share in tying for the blue ribbons as well.

The great shot-putter strikes again, and boy does she strike!!

Amanda says, "Don't look and it won't bother you." Lucy keeps on truckin'.

# Tennis stars wield big racket

A hot scorching sun, sweat glistening on a forehead, a steady swing of the arm, the ball flies over the net, hits the line and it's in! Twenty-five young people work hard to excel in playing against other Valley teams. Promising senior members for future tennis stars are Alma Padron, Don Clayton and Roel Flores.

At immediate left, Juan swings his best backhand, while at far left, DeArmon kills the ball.

Tennis netters are, first row left to right, Ray Rosas, Kevin Burandt, John Serna, Kirk Nielson, Alma Padron, Chris Flores, Willie Perez, Ruben Casso, Karen Stiers, Juan Villescas, second row, Coach Sandy Barker, Abel Alvarez, Robert Gonzalez, Art Morales, DeArmon Ward, Danny Seawell, Don Clayton, Mark Hertzler, Mona Glosser, Nelda Aleman, Robie Flores.

Left, "It sure would be embarrassing to miss the ball. I'd never live it down," thinks Don. Right, Robie demonstrates the perfect serve.

Right, relay swimmers are, left to right, Randy Thames, Carlos Villarreal, Eddie Sandoval, Hector Gutierrez. Below, Swim Team officers are, bottom to top, reporter Randy Thames, parliamentarian Rafa Mendoza, treasurer Barbara Gremes, secretary Laura Brewster, president Johnny Barbosa, vice-president Juan C. Martinez.

Above center, divers for the Swim Team are, bottom to top, Carlos Villarreal, Juan Martinez and Hector Gutierrez. Above Eddie Sandoval swims in relay tournament.

## Splish! splash! I was taking a cool bath

If you venture out to the San Juan pool one day, you would probably think the pool was filled with porpoises! Actually, it is the Swimming Team. This is the second year that the team has come back in existence. Swimming not only is good for the physique, but also provides a good chance to grab sight of some beautiful bodies. So why not "cool off" and join the Swimming Team. There's a pair of goggles waiting for you.

Above, Coach Jesus Lopez oversees. Center, Relay B swimmers are, bottom, Johnny Barbosa, Juan Martinez, top, Rafa Mendoza, David Montes. Below left to right, the Swim Team includes, bottom, Johnny Barbosa, Barbara Gremes, Hector Gutierrez, middle, Eddie Sandoval, Rafa Mendoza, Laura Brewster, Carlos Villescás, Randy Thames, top, Juan Martinez, Coach Lopez, David Montes. Below, Juan Martinez jackknives.

## In the limelight

They stand tall and they excel. They seem to stand right in the splendor of our school society. And after we're gone, they in our hearts will dwell; for he was our pride and hope; she was sweet, her youth as fresh as morning dew. They both outshined the brightest stars, because they were our favorites. Wherever we may go, whatever we may do, we'll remember them forever in the limelight!

## The backbone

What is it that makes us stand tall, that which makes our school years worthwhile? Let us turn the pages to those outstanding events in our book of memories . . . the eternal blazing spirit of our bonfire keeping our heads high with pride, romantic memories of our proms leaving us a night to cherish in our album of love, our enthusiastic cheerleaders cheering on and on after victory or loss, money raising projects to help our fellow men in need. This and many more activities make our backbone; for as we stretch our hands to bid farewell, this, my friend, are memories we will not forget!

## Four-Way Test used to screen Rotary Couples

Is it the truth? Is it fair to all concerned? Will it build good will and better friendship? Will it be beneficial to all concerned? This is the Four-Way Test applied to all that are chosen as Rotary couples.

Madeleine Azam and Matthew Bailey, at right, were selected as PSJA's September Rotary Couple.

October's Rotary Couple was twin brother and sister David and Davina Hallock.

November found Janice Brewster and Scott Hofland as Rotary Couple passing the Four-Way Test.

Posing for the month of December as Rotary Couple are Joy Aschbacher and Richard Keefer.

Sharon Taylor and Mark Ridlehuber were honored by being chosen January Rotary Couple.

February was a lucky month for both Irasema Chapa and Michael Ward as they were chosen February Rotary Couple.

Robin McKinnon and Joel Arcaute were proudly named as March Rotary Couple at PSJA.

Nora Tijerina and Rene Guzman were glad when they were chosen April Rotary Couple.

Debbie Beamsley and Rick Schell will graduate as May Rotary Couple. Congratulations to all couples.

Students chosen as Students of the Month for 1976-77 are, seated left to right, Ida Espinosa, Karen Crutchfield and Estela Fuentes. Standing are Celso Rodríguez, Rosa Galvan, Scott Hofland, Rene Guzman, Gloria Martinez and Mark Ridlehuber.

Faculty-honored valedictorian Celso Rodríguez is September Student of the Month, shown here studying in the library for that big test.

October Student is Mark Ridlehuber known for mastering the computer which will help him in the future as an electrical engineer.

Filling the post as November Student of the Month is Rene Guzman, Senior Class president, who is shown with his calf, Sam.

Left, Karen Crutchfield, December Student of the Month, has made the first division of Solos and Ensembles with the help of her French Horn.

Mid-left, starting '77 off right is Rosa Galvan, January Student of the Month who is active in OEA as recording secretary.

Below, March comes in strong and powerful. Scott Hofland, the strong and powerful track runner, is March Student of the Month.

## PSJA faculty distinguishes nine students

Nine outstanding students were chosen Students of the Month. Elections were based on outstanding leadership, ability to excel in scholarship and rendering service to the community. We'll remember these individuals who set a beautiful example.

Below, Ida Espinosa will not only leave PSJA with the memories of being editor of the annual, but also of being May Student of the Month.

Left, fresh as spring, Estela Fuentes is April Student of the Month. Estela placed second in the Science Fair with her water analysis.

Far left, a cheerful heart-warmer is Gloria Martinez who is February Student. Gloria has also gained many honors in the field of music.

Attending Boy's and Girl's State were, left to right, Rick Schell, Joy Aschbacher, Apolonio Sandoval, Ida Espinosa, Emilio Salazar, Shelly Edwards, Scott Hofland, Jon Jinks, Rolando Lopez.

## Nine attend mythical state during summer

Broader understanding of the responsibilities of American citizenship and a deeper appreciation of the privileges of being a citizen of the good old U.S. of A. are fostered by active participation as Boy's and Girl's State delegates to the 51st mythical state.

Boy's State, held at UT at Austin, and Girl's State, held at Texas Lutheran at Seguin, offered 7 delegates 10 days of experiencing the manipulation of the different branches of a democratic government.

Funded by the Pharr and Alamo American Legion Posts; the lab in government is a public service for community youths.

Boy's and Girl's State alternates are Sylvestre Garza, Belinda Ramirez, Diana Contreras, Ruth Leibowitz and Celso Rodriguez.

Standing next to Madeleine, Eli looks like a typical American teenager.

## Norway sends her best, Eli

Dear Friends at PSJA,

This is how I feel. Everybody at PSJA are my friends. Not because I know everybody, but because to me, PSJA seems like one big family. Even if PSJA has six times as many students as my school at home in Norway. PSJA goes much more together because PSJA has spirit, Bear-spirit.

I have been asked a lot of questions since I came here. The most common one is, "What are the differences between Texas and Norway?" Of course the nature is very different, but that you can read about in any encyclopedia; what the people are like, you have to experience yourself. The first thing I noticed down here is that the people are so friendly; you are so open both to each other and to me. From the day I came here, students have come up to me and started talking to me, even if I never saw them before. This makes me feel very good and it makes it much easier for me to get to know you and to make friends.

I have also been asked which is prettiest, Texas or Norway? But I can't say, I love them both. I love the Norwegian mountains and the snow, but I also love the beach, the sunshine and the peaceful palms. To me Texas is as beautiful as Norway; it is just different, very different.

When I finally have to say good-bye and go home I will feel both grateful and sad. Sad because my stay in Texas is over, but grateful because you made it a happy memory.

Yours forever,

*Ai Vatn*

Being greeted by the Rene Azam's, her American family, Eli will temporarily become a young American who will learn the customs of a student attending PSJA.

Eli, who was warmly received by students at PSJA, reads a Warm Welcome card from the cheerleaders as Madeleine, her American sister, looks on.

## Honor society recognizes math wizards

Mu Alpha Theta, an honorary math society, inducted new members, Oct. 12. A student must meet national and local requirements before being considered for membership.

Veterans announced rookies by showing posters with their names. Laughter spread throughout the audience as names were misspelled, posters were topsy-turvy and one sign was even ripped in half by overzealous members.

On the following Thursday a party was held at Bella's house. New members had to pass initiation exercises before munching out.

The Mu Alpha Theta officers for 1976-77 are, seated, president Matthew Bailey, standing, left to right, vice-president Mark Ridlehuber, secretary Rosa Galvan and treasurer Rick Schell.

## UIL's spirit of competition pays off in top scholarships

Experience the thrill of victory and the agony of defeat. Literary University Interscholastic League encourages competition at district meets in events as spelling, number sense, prose and poetry. Some practice meets offer events like duet and solo acting, original oratory, and Spanish poetry. PSJA held its first practice meet this year with the help of sponsors and students, Feb. 18-19.

Rick wonders "Oh my God, five more minutes to go. Should I use my bionic skills or not? It seems to be my only salvation!"

The prose coach says "Enunciate your words more fluently and be dramatic." Jeannie thinks, "I'm trying, I'm trying!"

Inspired Maro hurriedly arranges his thoughts into a thousand-word theme in order to finish before time runs out.

# Council focuses on campus spirit, student welfare

Student Council is made up of students interested in the welfare of their school with the intention of getting the student body involved. During football season they held the annual bonfire and snake dance. They also promoted spirit by proclaiming "Bear Day" in Pharr, San Juan and Alamo. Bear Day was proclaimed at Anthony's in McAllen also. One of Student Council's worthwhile projects was painting Bear paws on campus sidewalks.

In March, Student Council members organized the Talent Show. The two sponsors responsible for Council activities are Mr. Ramiro Castillo and Mrs. Deanna Castillo.

Sponsor Mr. Ramiro Castillo is at left; while, at right, Rene says, "Really Gloria, two plates??"

Leading Student Council are, seated left to right, secretary Carmen Maldonado, treasurer Laura Brewster, standing, vice-president Janice Brewster, reporter Rene Guzman, president Linda Maldonado, parliamentarian Liz Plath.

## Sure-footed Battlin' Bear Band double-times on to great shows

"Left, right, left! . . . Hit the line! . . . 6, 7, 8 . . . Pick your knees up! . . . Band halt!" Mr. C's words ring in the ears of all band members during football season. The year starts off with Friday night games. Everyone practices formations and drills for the games, always keeping in mind the annual Pigskin Jubilee. The Bear Band was victorious at Pigskin when they brought home a superior rating. During marching season, many motivated and talented band students prepare for All-Valley tryouts. After All-Valley, then comes state where PSJA placed three students. After marching season the band prepares for Concert Contest. In the interlude between Pigskin and Concert Contest, the musicians prepare for concerts and embark on fund-raising projects for their annual spring trip. Band students with a love for jazz are given the opportunity to branch out into the Stage Band. Under the able direction of Mr. Marvin Miller, the Stage Band performs concerts for the community and school.

# Rah! Rah! Varsity Cheerleaders are out-of-sight!

High-spirited, saturated with vim and vigor, and always faithful, the engaging Varsity Cheerleaders lead the cheering at games, whether win or loss. Energizing the pep rallies with spirit, they meticulously plan and organize every one of them. Classes scream themselves hoarse for the honorable Spirit Stick bestowed upon them by the cheerleaders. They spearheaded the PSJA campaign at the La Plaza Mall Spirit Contest where PSJA took first place. Without their effervescence this sports year wouldn't be the same.

## JV CHS spur on Bears

To continue to strengthen the pride and spirit of sophomores and juniors is the goal of Junior Varsity Cheerleaders. They promote spirit among lower classmen so that they might be as spirited as mighty seniors. Not only do they lead cheers at JV games, but they also lend a hand at Varsity games.

"Is he still following me?" Patty fears after hurrying out of practice.

Well I'll be, we seem to be coming along so well, Norma exclaims.

## Fish CHS create unity

Instilling the sense of pride and unity of being one in all freshman is the first step for freshmen cheerleaders. Providing spirit at freshmen games and pep rallies and helping out at Varsity games are some of the ways they accomplish this.

Top left, "Practice makes perfect," insist cheerleaders. Top right, Julie is delighted with fancy maneuvers that the Bears execute. Bottom, Fish Cheerleaders, Debbie Carza, Lisa Shawn, Cindy Villarreal, Jeannie Pecina, Julie Fink, Martha Chavez.

## And that's entertainment, as the Bearettes dance

The 1976-77 Bearettes is composed of 50 girls. The drill team has earned numerous awards and has received recognition for its outstanding dancing performances throughout the year. They are a spirited group of dedicated girls who have performed at football and basketball games, parades, variety shows and various other activities. Money-raising projects included selling ribbons, programs, baskets, caps, scarves, calendars and sponsoring an enchilada supper. Sponsor is Mrs. Sylvia Navarro.

## Mini-Osoettes pack big sound

"Go! Bears! Go!, Bears are No. 1!!!!", is often heard in the atmosphere surrounding the Mini-Osoettes. The intense volume of their cheers for the Battlin' Bears shows their unmatched spirit for the mighty team. Excitedly, these gals support most Bear teams by attending their games.

Below are Mini-Osoettes for '76-77, front row left to right, Lisa Aguirre, Iris Garza, Laura Diaz, Andrea Shawn, second row, Diana Solís, Iliana Garza, Olivia Salazar, Annie Guzman, third row, Sandra Salinas, Laura Villarreal, Cindy Castillo, fourth row, Norma Yarrito, Thelma Alvarado, Sara Martinez, Sandra Pecina, fifth row, Norma Lee Robles, Sonia Castillo, Elvia Palacios, sixth row, Melissa Palacios, Olivia Salinas, Lisa Diaz. Spirited Osoettes delighted Bruin fans with their "cool" breakthrough.

Mrs. Bertha Mejia and Mrs. Hilda Benavidez enjoy sponsoring Osoettes.

## Cheering Osoettes support most athletic clubs

"O-S-O-E-T-T-E-S, we're the Osoettes, the mighty Osoettes!" That's what can be heard from one of the best organizations on campus. Not only do these talented young ladies excel in cheering at football games, but at any game! On the bus to any game, it's common to hear, "Mati, sorry but, I spilled coke on your uniform." Or you may sometimes hear a sponsor cry, "Hey, Hilda, I thought you had the mini-Osoettes with you!" These gals put in a lot of effort to, not only promote spirit for our teams, but among all.

Alma doesn't lose hope in the Battlin' Bears, while Mary Lou is unsure.

# Bear Memories yearbook staff compiles 32-page

BEAR MEMORIES is comprised of sane students, sponsored by a one-of-a-kind sponsor whose jobs are to put out a No. 1 yearbook.

This year the staff added an all-color introduction and senior section, plus maroon and white endsheets autographed by the Senior Class. A color cover and cartoon was done by Inocencio Alaniz. The staff sponsored two sock-hops, two fantastic slide shows, football and Bear tag sales.

Efforts were rewarded by the attendance of five glorious days at the ILPC and stop-offs at San Antonio and Houston.

As you leaf through this memory book, remember the blood, sweat and tears put into it. The annual staff feels Happy Days means a completed yearbook.

BEAR MEMORIES staff of hard workers are, first row left to right, photographer Mario Garcia, head photographer Roel Cantu, second row, editor Richard Tagle, La Jefa Mrs. Margie McCarthy, Olga Villanueva, business manager Socorro Villa, Sylvia Villarreal, third row, advertising manager Rene Guzman, Janice Brewster, Susanna Mendez, club editor Ruth Leibowitz, Carlos Campos, copywriter Nancy Orendain, Liz Thoma, fourth row, Rachel Acosta, Joe Perez, Billy Seals. ## Bear's Tale gives bare facts

The Bear's Tale staff is an organization composed of aspiring journalists. Each month they publish a newspaper containing reports on student activities, editorials, student opinions, sports, music and a generous supply of insanity. The staff participated in UIL competition and placed in headlines and editorials.

Editor Rick Schell, right, catches up on printing pics. Tale staff includes, bottom left to right, Fidencio Zavala, Jaime Vives, Homer Flores, standing, Leo Perez, Sandra Carrillo, Rick, Imelda Garcia, Jonathan Mendoza, Ana Maria Gonzalez, Carrie Walker, sponsor Miss Wynette Jameson.

At bottom left, reporter Jaime forgot the reason for daytime. At mid-right, reporter Imelda writes her line; while at bottom right, Sandra matter-of-factly types her newsstory.

Concert Choir members are, seated left to right, Mary Nell Ysaguirre, Debbie Holton, Susanna Mendez, Lisa Alvarado, Nelda Perez, Diana Sandoval, Cheryl Hooks, Olaya Sandoval, Rosalinda Reyes, Penny Taylor, Ester Lopez, second row, accompanist Miss Becky Johnson, Graciela Garcia, Soledad Flores, Belinda Perez, Ruben Garces, Thomas Blagg, Juan Lujan, Donald Foster, Epifanio Rendon, Domingo Martinez, Ruben Zamora, Gerald Patano, Noe Avila, Elizabeth Ordaz, Guillermina Garcia, Patricia Pruneda and director Mr. Phil Fielder.

Officers serving Concert Choir are left to right, secretary Olaya Sandoval, president Susanna Mendez, librarian Lisa Alvarado, vice-president Donald Foster.

## Mr. Phil Fielder leads choirs

"Sing, sing a song." That is exactly what Concert Choir does; and they do it harmoniously at that. Concert Choir promotes the study of music and the oral expression of music. The choir performs at many functions and competes in UIL.

Today it's the choir room at PSJA High. Tomorrow it may be the Metropolitan Opera! Who knows how many great singing stars PSJA may have. In fact, some person walking the hallways may have the next No. 1 song.

Choir students concentrate on their music, while Olaya says, "Marynell, you watch the notes, I'll watch Mr. Fielder."

Handsome Mr. Phil Fielder, new choral director at PSJA, attracts students to choir like bees to honey.

Miss Becky Johnson accompanies PSJA choirs during class and off-campus performances.

Girls' Choir singers are, front; Donna Davis, second row left to right, Holly Buckingham, Julie Hinojosa, Susanna Escamilla, Rachel Alvarez, Gail Holton, third row, Julie Wood, Carol Tarver, Sandra Rosales, Emma Sanchez, Belinda Obst, Idalia Rodríguez, Teresa Sierra, Sherry Shuttlesworth and Rosa María Escamilla.

## Girls' Choir attracts top talents

If you ever walk into "H" Building during seventh period, you would probably think you're hearing about 25 Olivia Newton-Johns; but actually, it is the superb Girls' Choir under the fine direction of Mr. Phil Fielder. The choir works hard to perform at concerts to which they are invited. They compete later in the year in UIL. Keep on singing girls!

Idalia, Julia and Emma sing together to produce a harmonious melody soothing to the ears.

Left, "Ah, come on gals, I want to see also!" At right, Carol and Sherry enjoy singing. However, Rachel seems to be thinking about something else, far from Choir.

# JETS perfect computer play

Today you are a Star Trek captain, tomorrow you figure your biorhythm, and the day after you are a big-time gambler trying your luck at dice on the computer. These games developed by Junior Engineering Technical Society foster interest in engineering and technical fields.

Known as "Rapid Ridlehuber", Mark accelerates speed over a computer.

Members of the Jets Club are, seated, Mark Ridlehuber, first row left to right, Eric Lundquist, Janet Conquest, Otto Uhrbrock, Estela Fuentes, Sylvestre Garza, Richard Keefer, Kevin Burandt, Kyle Newcombe, back row, Mr. Auston Cron, George Gage, Scott Hofland.

Learning how to use a computer comes in handy when working out a problem.

Mr. Cron shows Mark, Scott, and Sylvestre how to read feedback on a computer; but do they really understand what Mr. Cron is trying to say?

Estela, recipient of the Bausch and Lomb Award, works on her fair project.

Dr. Fred Ellis enriched members' knowledge with a lecture at a meeting.

## Science Club out on field

When you think of the Science Club you imagine people in drab white frocks with thick glasses staring down a microscope. Well, although such people may exist, in the Science Club most members are just science oriented students. The club sparks interest in science by taking field trips to Padre Island and Santa Ana Refuge to observe the fauna and flora of the Valley. Out-of-the-Valley excursion trips are usually taken in the spring. Devoting their time as sponsors are Mr. Robert Soper and Miss Hilda Ybarra.

"Well, it's been nice talking to you."

Charged with emotion, energy and force, Luisa and Ruth hurl themselves into the forceful characters they portray.

## Creativity goes with the drama set

Where else but in the Drama Club do you find a number of students who are just plain wacky? Well if you walk in the dressing room before a production, you will most likely be hit with a flying grease pencil or someone's wig. With a new sponsor, Mr. Daniel Brady, the Drama Department is wrapping up its year. UIL One-Act Play competition was keen and it looks like the Drama Club is still on campus.

Officers are, left to right, secretary Yvonne Gutierrez, treasurer Debra Chapman, president Luisa Montalvo and vice-president Ruth Leibowitz.

"No, no," says Beth, "those are not the right lines, try it again."

## Exercise turns bicyclists on

Trade in your old four-wheeler for a new two-wheeler and a ticket to good health. The Bicycle Club promotes exercise and appreciation of the environment through bicycling. So, instead of whizzing by in a fast car, stop, get out, get on a bike and tour the neighborhood.

At right, Mario gracefully rides his unicycle while Matthew believes in conserving energy by riding to school on his two-wheeler.

Fellow Bike Club members are, kneeling, Linda Coggeshall, second row left to right, Matthew Bailey, Mark Ridlehuber, Liz Thoma, third row, sponsor Mr. E. J. Ballew, Scott Hofland, Mike Ward, Madeleine Azam, Mario Garcia, Gary Kotzur, Shelly Edwards.

## 'Checkmate' spells victory

"King's knight to queen's pawn four. Queen's bishop to king's knight five." So might attack and counterattack go on the battlefield of Chess Club competition. You are king and sole commander as you think up strategies and lay your plans to capture the enemy's king. Ruthlessly, you send your pawns, gallant knights, noble bishops and even your precious queen to their death. Excitedly, you call a check on your opponent and quickly you fall to Earth . . . as he calls "checkmate".

# FTA initiates selection of Teacher of Month

Future Teachers of America is an organization in which teaching-related professions are introduced to students interested in pursuing such a career.

FTA began a custom of evaluating teachers by departments and selecting one teacher as "Teacher of the Month". The club worked on activities such as a break-through, assisting during Public School Week and acting as co-hosts at a teachers' tea.

The organization was quite successful with two money-raising projects that included a candy sale and a sock-hop featuring "SAPO".

At top right, Mr. McKeever stresses, "Furthermore and in conclusion . . ." Above, FTA shows spirit. ## PASF experiences rebirth

La Fiesta de Espanol is a new club on campus which participated in UIL and PASF competition. Linda Coggeshall was a contestant in PASF who placed first in non-native poetry. This entitled her to go on to state level.

Activities included selling fruitcakes, candy and sponsoring a record-hop. It all added up to loads of learning, hard work and fun, as was often heard among the members. A special satisfaction was felt by belonging to a club that promotes interest in North American countries, helping people and working to earn their way to San Antonio.

Diana wonders about the club's money-raising project, selling fruitcakes, which proved to bring in plenty of "dinero".

Letty, Sylvia, and Rosie show off their beautiful Mexican skirts which swirl when dancing.

Sponsors are, first row left to right, Mr. Jorge Ramirez and Mrs. Beatrice Laurel. Officers, in back row, are second vice-president Sharon Taylor, president Diana Contreras, secretary Letty Rivas, treasurer Rosa Galvan.

Rene and Sylvia demonstrate that both have a fling for dancing "El Jarabe Tapatio".

# Farmers of tomorrow keep busy tending sheep, cows, pigs, . . .

"Baa! Baa! Oink! Oink! Moo! Moo! Cluck! Cluck!" Is this Old McDonald's choir? No, it's Mr. Sidney Ford's menagerie which is tended by his young farmers of the future. The primary aim of the Future Farmers of America is the development of agricultural leadership, cooperation and citizenship. Their motto is learning to do, doing to learn, earning to live and living to serve. Members fulfill the learning to do part by raising and displaying livestock and vegetables at the Livestock and Vegetable Shows.

Leadership skills are taught to these young farmers and tested at the Leadership Contest. These young men show their appreciation to their parents by holding the annual Parent-Member Banquet.

## And now the end is here . . .

Yeah! '77's over! School's out! Summertime, funtime! The air is filled with these and other exciting phrases. The countdown moves on for some and ends for others. For Seniors of '77 . . . it's over! A new lifestyle is about to evolve around them.

Yet, could we ever forget the screaming and yelling as we stood proudly behind our teams, the singing of "On, On, PSJA", Homecoming Week, staring at time with victory or defeat in our minds, walking down the halls, joking with friends and all the faculty at PSJA who've made it possible to make learning a yearning for students. So, lift your heads and hold them high, 'cause you were once students of PSJA High.

## *Heart-felt thanks*

*Just before we turn away and say good-bye, we will stop awhile to remember how much effort was put into our annual, the long hard hours and the sleepless nights.*

*But most of all we will remember those who were cooperative and patient with our staff. We'd like to extend some very special thanks to Mr. Jack McKEEVER and Mr. Felipe Alanis for being so helpful. Thank you teachers and counselors for being so understanding in our time of need.*

*We would like to also acknowledge Stroud's Furniture, La Veranda, Jones and Jones, The Ramada Inn, La Posada, House of Jeans, The Ranch and Pants South for their generosity in letting us use their locality for our group pictures.*

*We would like to express, with honest sincerity and everlasting gratitude, our warmest thanks to Mr. Michael McCarthy for letting us steal his wife. And last, but not in the least, we cannot find the words nor the thoughts to express our deepest thanks to Mrs. Margie McCarthy. All we can say, hoping we will get our message across is-- Thank you, Mrs. Margie McCarthy!!*

*To each and every one of you--Merci, Graci, Dankeshien, Dakk, Thank you and Gracias!!!*

Time must stand still

for happy times are ending,

we've had our fill.

Today  
the threshold  
of future  
before us lies,  
doorways  
of tomorrow  
have been  
opened.

Time  
must go on,  
for the past  
with the future  
ties . . .

for no mist  
of time  
can fade,  
nor  
passing years  
obscure,

the eternal  
memories  
of friendships  
that were  
cherished  
during  
Happy Days  
spent  
at PSJA High!
